OMB No. 2577-0226 (exp. 08/31/2009)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

- A. **Domestic Violence** The term 'domestic violence' includes felony or misdemeanor crimes of violence committed by a current of former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic of family violence laws of the jurisdiction."
- B. *Dating Violence* means violence committed by a person---
  - (A) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - (B) Where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - (i) The length of the relationship.
    - (ii) The type of relationship.
    - (iii) The frequency of interaction between the persons involved in the relationship.

#### C. **Stalking** – means –

- (A) (i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and
- (B) In the course of, or as a result of, such following, pursuit, surveillance or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to

- E. *Perpetrator* means person who commits an act of domestic violence, dating violence or stalking against a victim.

#### V. Admissions and Screening

A. Non-Denial of Assistance. Rockland Housing Authority will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

### VI. Termination of Tenancy or Assistance

- A. VAWA Protections. Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by Rockland Housing Authority:
  - 1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of the violence.

- 2. In addition to the foregoing, tenancy or assistance will not be terminated by Rockland Housing Authority as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant's control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:
  - (a) Nothing contained in this paragraph shall limit any otherwise available authority of Rockland Housing Authority' or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, neither Rockland Housing Authority nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence dating violence or stalking than that applied to other tenants.
  - (b) Nothing contained in this paragraph shall be construed to limit the authority of Rockland Housing Authority or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or Rockland Housing Authority, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property. If the tenant is not evicted or terminated from assistance.
- B. Removal of Perpetrator. Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, Rockland Housing Authority or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by Rockland Housing Authority.

Leases used for all public housing operated by Rockland Housing Authority and, at the option of Section 8 owners, or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by Rockland Housing Authority, shall contain provisions setting forth the substance of this paragraph.

#### VII. Verification of Domestic Violence, Dating Violence or Stalking

A. Requirement for Verification. The law allows, but does not require, Rockland Housing Authority or a Section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII.C., Rockland Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by Rockland Housing Authority. Section 8 owners or managers receiving rental assistance administered by Rockland Housing Authority may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

- 1. Hud-approved form by providing to Rockland Housing Authority or the requesting Section 8 owner or manager a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incidents or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
- 2. Other documentation by providing to Rockland Housing Authority or to the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, and attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy.
